THE PALM SPRINGS

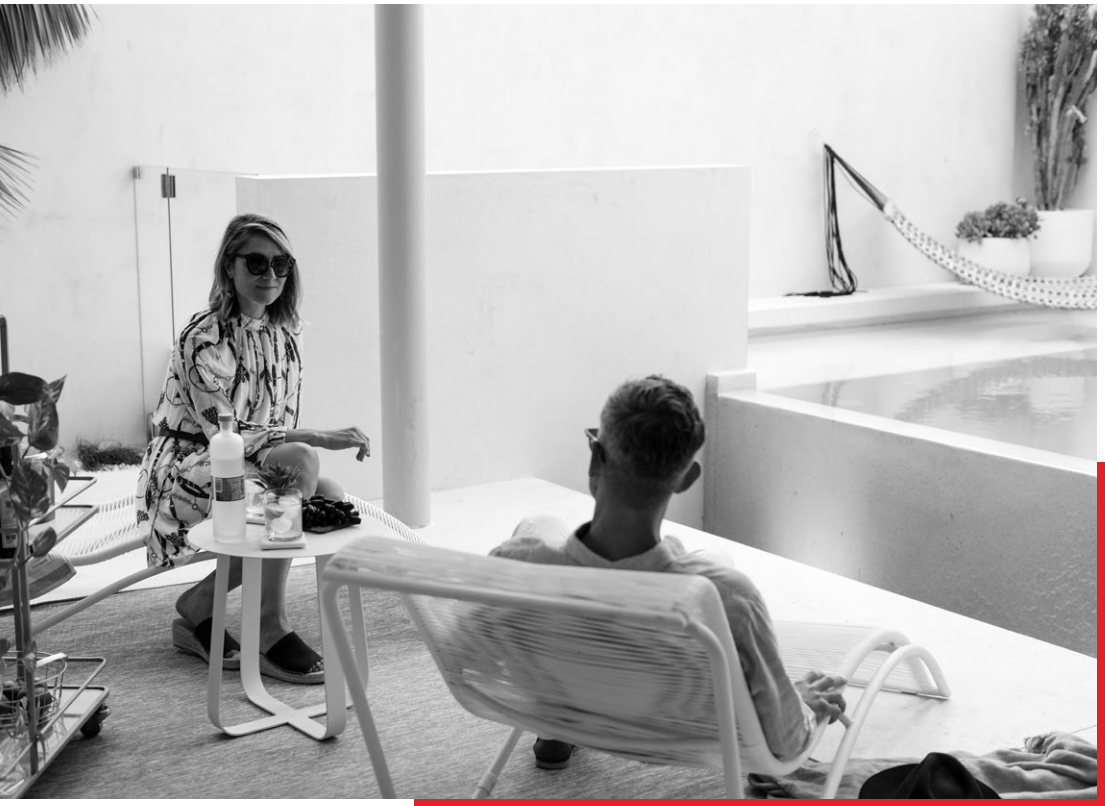
A LIGHT AND BRIGHT OASIS, THE PALM SPRINGS VINTAGE DESERT ORIGINS CREATE A RARE INFORMAL ELEGANCE.

Shaped by the desert resort city of Palm Springs, The Palm Springs fuses California mod with nostalgic glamour to create that elusive goal of laidback elegance.

With silhouettes of minimalist mid-century architecture, The Palm Springs is future-facing with an abundance of glass, sleek clean lines and indoor / outdoor flow.

SHAPED BY THE DESERT RESORT CITY OF PALM SPRINGS

This is a home that invites you to indulge. Living spaces are purposefully extended and spill onto both front and rear alfrescos. An all-white infinity edge pool keeps the front verandah in permanent entertainment mode, particularly as it flows onto a 'Multi-Purpose Room' to entertain, work, exercise or play.



Privacy is also prioritised. Ascend the waterfall staircase to greet three additional bedrooms, each with direct access to an ensuite. The master wing occupies a dedicated space at the rear of the home, with a feature breezeblock wall and unroofed outdoor fernery creating a modern desert mecca. A second master suite on the ground floor accommodates accessibility and a multi-generational set up.
